Ali Zaker
Founder & President, Moder Patshala
4416 Market Street,
Philadelphia, PA 19104

Dear Mr. Ali Zaker,

Congratulations to the Moder Patshala Organization and the Bangladeshi-American Community for another successful year of outstanding work with the high school students in your community. It has been my pleasure working and meeting with you this year. The achievements of the students in your program over the past seven years have been outstanding!

Mr. Zaker, I am sure your students and their parents are very grateful for your dedication in organizing a program that provides mentoring with homework and various school related activities.

On behalf of the School District of Philadelphia, we would like to thank you, your parents, mentors, and teachers for their dedicated work in providing additional academic support outside of the school day to the students of your community.

Sincerely,

Ambra Hook

Director, Secondary Instructional Programs
School District of Philadelphia
